

Economic Development

The Village will undertake initiatives that support the development of a strong and diverse economy, including for industry, commerce, tourism, and a vibrant downtown.

- Continue to implement the recommendations in the 'Chart the Course' economic diversification plan.
- Begin to implement actions proceeding from prosperity clinic regarding wealth building, community building and economic diversification.
- Promote business opportunities and continue work towards attracting new business from the regional pilot program.
- Implement next steps in development of Village Heights:
 - » "Reaching New Heights"; host a Prosperity Clinic with the development community re: layout and development of land;
 - » Selective harvesting of conifers (CWPP fuel mitigation) & use revenue generated for clean-up.
 - » Incorporate plan for water/sewer ROW in road clearing.
- Continue implementing recommendations from the Tourism Working Group.
- Implement Tourism Marketing Strategy.
- Support events for recreation.
- Support developers and businesses to increase commercial office space.

Infrastructure

The Village will engage in good government that is financially sustainable and invests in infrastructure to service the community.

- Continue to pursue/develop water and sewer servicing to Industrial Lands.
- Continue with Wastewater Treatment Plant and sewer lagoons (grant dependent; could be phased.)
- Leverage NCPG funds for water and sewer projects, applying for grants and utilizing partnerships where possible.
- Continue to improve amenities at the local campground.
- Continue with development of the Anglican Church property.
- Priority paving projects ~\$400k
- Next phase of Active Transportation sidewalk and storm drain (grant dependant).
- Explore and compare sites; develop a plan for upgrading or replacing the firehall.
- Practice good communication with the public through social media, being approachable, accountable and transparent; provide 'highlights' to the public.

2022 MUNICIPAL OBJECTIVES

- Support infrastructure developments that encourage diversity and promote Burns Lake as a welcoming community.
- Develop a plan for consistent, widespread internet connectivity.

Social Responsibility

The Village will exercise social responsibility by supporting housing inventory for the community's diverse population and recreational opportunities that improve quality of life

- Make continuous efforts at reconciliation and respectful dialogue; collaborate, communicate, seek and provide input.
- Support developers and not-for-profit organizations with new housing for market and subsidized multi-family dwellings investigate local government incentive tools.
- Work with Foundry to support Youth Centre feasibility planning.
- Annual C2C forum – determine topic jointly with First Nations.
- Increase communication to the public and social engagement with the public.
- Engage with the public and stakeholders in creating a recreation and parks master plan.
- Continue to plan for the Village's 100th Anniversary

Environment

The Village will provide responsible environmental stewardship and mitigate wildfire risk.

- Selectively harvest conifers on Village Heights and use revenue generated for clean-up.
- Prioritize and implement actions from Community Wildfire Protection Plan to keep our community safe.
- Support the FireSmart Committee, encourage citizen participation and consider resources to do so.
- Promote EV charging stations.
- Encourage recycling.
- Explore opportunities to continue towards meeting climate action goals.
