

Mayor of Burns Lake Resigns  
Start of a New Career in Public Service

September 22, 2022

Mayor Dolores Funk resigned from her position as mayor of Burns Lake, effective September 11, 2022.

“It is with mixed feelings that I announce my resignation as Mayor of the Village of Burns Lake. It has been my pleasure to serve the community of Burns Lake over the past four years. Despite the challenges of COVID, this Council has worked tirelessly on many fronts to accomplish much for the Village of Burns Lake. I have had the great honour of working with a Council that has been a team from the outset. A team that has been able and willing to discuss difficult issues and still uphold the values of respect for each other and the staff, ensuring that decisions are made for the greater good of this community. As I move on to new endeavours that will allow me to continue to work on the many great initiatives this Council has started. I want to thank my Council members, the staff, and the public for the last four years and congratulate them on a job well done!

Funk’s political career began with her election in 2018. As a proven community leader, along with her council members, many positive economic and social changes have occurred in the community. Moving the economy of Burns Lake and the Lakes District forward has always been front and centre for Funk. Her commitment to attracting new businesses and residents to the area has led her to a new career path as she has accepted the position of Economic Development Officer for the Village of Burns Lake.

Staff and council for the Village of Burns Lake welcome Funk to her new role.
